

Serial No. 09/921,610  
Amendment dated October 19, 2004  
Reply to Office Action of May 25, 2004

Docket No. 4159-4003US1

**Remarks**

**Status of the Application**

Claims 100-104, 107, 108 and 111-133 are pending in the application. Independent claims 100, 103, 104, 118, 119, 124, and 129 have been amended. Claim 118 has been amended to correct an informality.

Pursuant to the Office Action mailed May 25, 2004, the active claims stand finally rejected under 35 U.S.C. 102(e) as anticipated by Minton (U.S. PG Pub No. 2002/0091611). As noted in the Interview Summary, agreement was reached with respect to the claims during a telephonic interview on September 13, 2004 between Applicants' attorney and the Examiner. This Amendment is submitted in accordance with the Interview Summary to overcome all outstanding rejections.

**Comments**

Applicants' attorney would like to thank Examiner Backer for the courtesies extended during a telephonic interview of September 13, 2004. During the interview, the Examiner suggested that the claims would be allowable if amended to i) include a limitation indicating that the second security is different from the first security and ii) that the buy and sell transactions in a barter occur at about the same time.

In this Amendment, the independent claims have been amended to recite i) the second security different from the first security, and ii) in a barter order, the purchase of the second security is substantially concurrent with the sale of the first security.
